Greetings. Yomim Noraim will be upon us before we know it. We encourage you to call the office during hours or email (see footer below for contact information) to make your reservations for seats and to

have the names of your loved ones included in the Yizkor book. SPECIAL NOTE: BABYSITTING has been a challenge this year! While we have secured a limited number of sitters, we need to limit the child/sitter ratio to a maximum of 6. Paid reservations will be accepted on a first come first served basis, and only when the reservation is made by direct phone call to Esther in the office. Email reservations will NOT give you a priority on the list. Sitting will be for children from 12 Mo. to 5 years, as in prior years. If you choose to use the babysitting room without a reservation, you must provide a responsible adult or sibling for supervision. Older children will NOT be allowed in the childcare room as a safety precaution. Please assist us in enforcing this rule by knowing where your child is at all times.

Your comfort and safety is of utmost concern to the leaders of your shul. We have attended federation security briefings, and
